COME DRINK FROM THE WELL!

One of the things I have to do is drink more water. Most doctors and dieticians tell me that I should be drinking at least eight, eight ounces glasses of water a day. If you have ever tried to do it, you know that this is a lot of water. To make consuming this much water a little easier, we usually buy those 2 1/2 gallon containers of spring water from the store and put it in the refrigerator so that it is always available and always cold.

Perhaps it is only physiological but the spring water we buy always taste better than the tap water in our house. A bias I have toward spring water may be due to my memories of drinking water from the spring house when I was a boy. My dad owned a farm that was several miles from where we lived. When my brothers and I would go there to work, digging thistles or cutting brush, there was never a need to bring water to drink. We could always go to the spring house and be refreshed with the clearest, coldest water in the world.

I am sure many of you can resonate with what I am saying. The fact of the matter is, being refreshed by the waters of a spring is nothing new. It is a concept that is as old as time itself. That is why the imagery of Jesus as "living water" is such a powerful image in the New Testament.

No where is this image more powerful than the story of Jesus and his encounter with a Samaritan woman at Jacob's well. (John 4:1-42) This woman was not only a social and religious outcast, but also a person of questionable moral character. However, because of her encounter with Jesus she was able to drink from the well of "living water." And the most amazing thing is, not only was her life changed, but because of her testimony, "many of the Samaritans from that town believed in him." (v. 4:39)

Just as water was a source of life to people in one of the most arid regions of the world, Jesus was and continues to be a source of life to a thirsty soul. During this season of Easter I urge you to come to the spring house and drink deep from the waters of the well. My prayer for you is that you will experience the life giving and life changing powers of the "living waters" of Jesus Christ.

God's Blessings,
Pastor Pat

Organist Search Committee Report – 2/20/2022
+++++

After a two-year search, the Organist Search Committee has a potential candidate to fill the position. During that search time, there had been numerous leads, ideas, suggestions and one seemingly good applicant, but they all dried up as we learned that organist/music directors are in high demand and short supply. Honestly, we weren’t sure what direction to head in next.

With the Holy Spirit’s help, out of the blue Irina Shmeleva, our past organist, contacted me and offered to help us out. Her citizenship issues had been resolved and she feels a strong connection to our congregation members.

She has since been interviewed by the committee and elders to become our Director of Music. There were some concerns expressed. Irena has another church where she serves as organist, but she truly wants to help St. Luke’s with our situation. The major concern on both sides of the table was her time constraint: We would need our service to begin at 9:00 to give her the chance to get to her other church service. After lengthy discussions, as a committee, we felt that the benefit of live music was worth the change of worship time.

Special evening services were also a concern. She had a solution that her husband, also a musician, was willing to fill in during any conflicting service times. She is willing to pre-record any music that may be necessary to meet her time restrictions.

This time change would need a special Congregational Meeting to be approved. A three-month trial period was agreed upon by both sides if the congregation agrees to the time change.

If nothing else, the covid restrictions have taught us all that we have to find new ways of doing things. The past two years has also taught the search committee that a compromise may be necessary to give our worship the advantage of REAL music.

Today’s meeting went a long way to providing a path forward.

MISSIONS UPDATE

Ghana Initiatives. Just a quick reminder about 2 important programs in support of St. Luke's outreach in Ghana.

✝ **Teacher Sponsorship.** You/your family can now be a monthly sponsor of the teachers at the St. Luke's Day Care center. It's easy! Pick your month and let Corie know. Write St. Luke's a check for \$100.00 and designate "Ghana teacher sponsorship" on the memo line. Who will step up to the challenge?

✝ **Gas cans for Ghana.** Yeah! After a rather long COVID interruption, we're resuming our 2nd Sunday of the month Noisy Offerings on April 10th Dig deep into your pockets. Look under the seat in your car, check the couch cushions and don't forget to look under your mattress, either! Be prepared to throw your spare change or bills into our new gas can collectors. Fund will be put towards a longer term goal to provide a mini-van. This will enable more regular, reliable transportation of children.

Those of you who Zoom or may not be in the sanctuary in person every Sunday can also participate. Just use the memo line on your check so the funds can be tracked correctly.

Our friends in Ghana are ever grateful for your continued support!

**Daily Bread Community
Food Pantry**

Daily Bread Update. We recently saw a status report on the Daily Bread's search for a new permanent facility. Now that funding has been secured, their Search Team has been actively locating suitable buildings in Montgomery County with the necessary space, lay-out and move-in readiness in the right price range. A facility that meets their needs was identified on Germantown Pike, a short distance away from the current location. Some preliminary discussions took place. Unfortunately the facility was taken off the market just as another buyer was identified. The Search Team was disappointed but has not lost hope. They are in active pursuit of other opportunities. They plan to keep everyone updated on progress. Please keep the Daily Bread in your prayers. Then this wonderful non-profit can continue to faithfully serve members of our community in need.
